4% Y

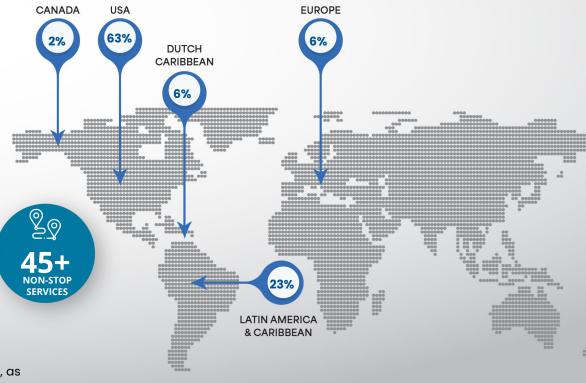

(2024: 1.009)

Passengers Market(RGP)

*The -8% overall decrease in seat capacity is primarily driven by a -16% year-over-year reduction in the U.S. market, mainly due to capacity decreases from JetBlue (JFK, EWR, and BOS), followed by United (IAD and IAH), as well as reductions from Spirit. Additionally, the European market saw a decline due to British Airways discontinuing its LGW-AUA service

Traffic Performance Highlights
